That is, unless Sarah has a bigger, badder, hotter monster on her side. Max Petrovsky is right at the top of the list of alpha male ass-kickers. And he knows exactly what Sarah's up against. Good thing, because the minute he sees her something primal kicks in, turning everyday attraction into red-hot desire. As long as they're cooperating, why not mix some pleasure with business? Of course, Max should probably tell Sarah he's a vampire himself... Twisted In human form, Terrent Vilks is all male animal--dark, ripped, predatory. Daring Pioneers Tame the Frontier Jul 05 2020 History, Romance, & Destiny... Daring Pioneers Tame the Frontier is an exquisite saga of Dr. Jean (John) Baptiste Elzar Burels lifelong desire to cross the Atlantic Ocean to the beckoning new America. With his naval surgeon license in one hand and his medical chest in the other, he followed Marquis de Lafayette to Colonial America during the Revolutionary War. During the war he fell passionately in love and married a beautiful Acadian French woman in Philadelphia. After the war they made plans to return to his home at Ollioules, France. Homeward bound, the bourgeois doctor boarded the ship in Philadelphia with his new bride and their few belongings. There on deck he was unexpectedly forced to choose between his beloved homeland and family in France and his wife with child. Disembarking the ship with grave disappointment, John knowingly forfeited his inheritance as sole heir. Struggling to survive in Philadelphia, oftentimes John sat quietly admiring the beautiful woman who owned his heart as he secretly yearned for his prominent family and lifestyle on the Mediterranean Coast of France. Standing on the threshold of the newly independent America, the young doctor decided to take his wife and infant son and pioneer down the Great Wagon Road into the raw frontier of South Carolina. Believing he would build a new and prosperous life, he settled at Goshen Hill between the Tyger and Enoree Rivers within the lawless backcountry of South Carolina. Fighting the dangers and hardships of the frontier, and the recurring restlessness to return to France, John and his family carved out a simple life. Although disappointed at times, within the walls of his log home the enduring love and warmth of his wife and six children transcended adversity and hardships of the outside world. The heartwarming story is filled with humanity as John faced his inevitable destiny. The first novel in the trilogy closes with Dr. Burels widow standing helplessly in her front yard watching the wagon train take her spirited children and grandchildren west in search of richer land and prosperity. It was dj vu!

Taming Your Inner Brat Jun 23 2019 I can't believe I did that! What was I thinking? We've all got one: an inner brat that compels us to grab one more cookie or throw a hissy fit over a minor irritation. This inner brat can wreak havoc at work, in relationships, and with our self-esteem. With humor and kindness, Taming Your Inner Brat gives you specific strategies to bring your attitudes and bratty behaviors under control. You can learn to deal with any situation in a productive, adult manner. By teaching you how to recognize your inner brat, psychologist Pauline Wallin, Ph.D. helps you bring problems into manageable perspective and make changes that last. . . . Which leaves just one question, answered in this new edition: "Now that I've tamed my own inner brat, what do I do about people who haven't tamed theirs?"
