Recent Advances in Nephrology Mar 17 2021 The study of medicine associated with the functioning of kidneys is called nephrology. It includes the study of the prevention, symptoms and treatment of kidney diseases. The physician who is a specialist in the diagnosis, care and treatment of kidney diseases is known as a nephrologist. Examination of the urine is the most common way of diagnosing kidney problems. It is important to check for the presence of blood, protein, pus cells or cancer cells in the urine. Medical ultrasonography, magnetic resonance imaging and computed axial tomography are some of the common tests to assess the structural abnormalities of the kidneys. This book brings forth some of the most innovative concepts and elucidates the unexplored aspects of nephrology. It elucidates new techniques and their applications in a multidisciplinary manner. This book will help the readers in keeping pace with the rapid changes in this field.

**Through the Eyes of the East** Mar 29 2022 This book traces the unique and remarkable life of Shony Alex Braun. As a boy of four, he becomes lost in the Transylvanian forest and encounters a group of gypsies who enchant him with their musical instruments. This launches his love and fascination for the violin. He eagerly learns to play the violin, and by age eleven he makes his debut on Radio Bucharest. His dreams of further study are cut short by Nazi oppression and the deportation of him at thirteen and his family to Auschwitz. The violin miraculously saves his life in the death camp of Dachau and then after liberation, the violin brings him back from the brink of death as he recovers from a gunshot wound, blood poisoning, tuberculosis and malnutrition. He meets a charming girl in the recovery hospital and begins a new life with her as his wife in the United States. Shony goes on to become a prolific composer, Hollywood performer, concert soloist and Pulitzer Prize nominee. His faith in God and his courage to survive will inspire you. Shony's loving concern for others with help you realize there is good in the world.
