How to Draw Manga Furries May 15 2021 With How to

Draw Manga Furrries, you'll follow the lead of five professional Japanese artists as they show you how to bring dynamic fantasy characters to life—on the page or on screen! Furrries are anthropomorphic characters—animals who have human traits (not to be confused with kemonomimi, or humans with some animal features!). They're widely popular in manga, anime and cosplay—from fan favorites like *Wolf's Rain* and *Lackadaisy* to the newer *Beastars* and *BNA: Brand New Animal*. The genre allows creators to be more imaginative, freeing artists from traditional human personality traits, actions and physical appearance. With the help of the expert authors, you'll learn to draw: Anatomically correct furry manga bodies, skulls, faces, appendages and tails with human proportions Characters based on cats, dogs, wolves, foxes, goats, birds, whales, sharks, crocodiles, dragons—and more! Furrries seen from their most powerful perspective—from muzzle to rump to flipper tip Illustrations shown from many various angles with different poses, positions and movements And so much more! With this book as your guide, your imagination will run wild as you create memorable heroes, wicked villains and compelling sidekicks with your pen or on screen. *Recommended for artists 10 & up*

Learn to Read Latin Apr 25 2022 Learn to Read Latin helps students acquire an ability to read and appreciate the great works of Latin literature as quickly as possible. It not only presents basic Latin morphology and syntax with clear explanations and examples but also offers direct access to unabridged passages drawn from a wide variety of Latin texts. As beginning students learn basic forms and grammar, they also gain familiarity with patterns of Latin word order and other features of style. Learn to Read Latin is designed to be comprehensive and requires no supplementary material. It explains English grammar points and provides drills especially for today's students. It offers sections on Latin metrics, includes numerous unaltered examples of ancient Latin prose and poetry, incorporates selections by authors such as Caesar, Cicero, Sallust, Catullus, Vergil, and Ovid, presented chronologically with introductions to each author and workbook. It offers a comprehensive workbook that provides drills and homework assignments. This enlarged second edition improves upon an already strong foundation by streamlining grammatical explanations, increasing the number of syntax and morphology drills, and offering additional short and longer readings in Latin prose and poetry.
