Bible Stories from a Rocking Chair Mar 25 2022 Great exciting Bible stories as told by a grandmother to her grand ones - 134 stories from the Old and New Testament - Brief, short stories with 12 questions at the end of each story for review

The Girl in the Song May 03 2020 The Girl in the Song tells the stories of 50 women who have inspired classic rock songs. Who was Emily in Pink Floyd's See Emily Play? What happened to Suzanne Verdal, immortalised in Leonard Cohen's Suzanne? Did life change for Prudence Farrow after John Lennon penned Dear Prudence? And whatever happened to 'the girl with mousy hair', an ex-girlfriend Bowie sings about in Life on Mars?

This fascinating book explains how each song came about, when it was released, the impact it had on the charts and then gives a mini-biography of the song's muse. Suzanne Verdal was living a bohemian lifestyle by the river in Montreal when Cohen wrote his poem Suzanne, which he subsequently set to music. Later in life she tried to get in touch with the star who blanked her backstage at a gig. She was last heard of living in a car in California. Apart from songs, the book features sidebars on the performers who wrote about the women in their life - Syd Barrett famously included four girls in the same song. Other examples include: Under My Thumb - The Rolling Stones (Chrissie Shrimpton), She's Leaving Home - The Beatles, Layla - Derek and the Dominoes (Patti Boyd), Peggy-Sue - Buddy Holly (Peggy-Sue Gerron), Maggie May - Rod Stewart, Light of Day - Bruce Springsteen (Julianna Phillips), Sweet Caroline - Neil Diamond (Caroline Kennedy).

When Angels Sing Jun 23 2019 Winner of a Pura Belpré Illustrator Honor and a Robert F. Sibert Honor! Celebrate music icon Carlos Santana in this vibrant, rhythmic picture book from the author of the New York

Times Best Illustrated Children's Book Muddy: The Story of Blues Legend Muddy Waters. Carlos Santana loved to listen to his father play el violín. It was a sound that filled the world with magic and love and feeling and healing—a sound that made angels real. Carlos wanted to make angels real, too. So he started playing music. Carlos tried el clarinete and el violín, but there were no angels. Then he picked up la guitarra. He took the soul of the Blues, the brains of Jazz, and the energy of Rock and Roll, and added the slow heat of Afro-Cuban drums and the cilantro-scented sway of the music he'd grown up with in Mexico. There were a lot of bands in San Francisco but none of them sounded like this. Had Carlos finally found the music that would make his angels real?

The Rock Eaters May 15 2021 An NPR Best Book of 2021 NYPL 10 Best Books for Adults, 2021 A story collection, in the vein of Carmen Maria Machado, Kelly Link, and Nana Kwame Adjei-Brenyah, spanning worlds and dimensions, using strange and speculative elements to tackle issues ranging from class differences to immigration to first-generation experiences to xenophobia What does it mean to be other? What does it mean to love in a world determined to keep us apart? These questions murmur in the heart of each of Brenda Peynado's strange and singular stories. Threaded with magic, transcending time and place, these stories explore what it means to cross borders and break down walls, personally and politically. In one story, suburban families perform oblations to cattlelike angels who live on their roofs, believing that their "thoughts and prayers" will protect them from the world's violence. In another, inhabitants of an unnamed dictatorship slowly lose their own agency as pieces of their bodies go missing and, with them, the essential rights that those appendages serve. "The Great Escape" tells of an old woman who hides away in her apartment, reliving the past among beautiful objects she's hoarded, refusing all visitors, until she disappears completely. In the title story, children begin to levitate, flying away from their parents and their home country, leading them to eat rocks in order to stay grounded. With elements of science fiction and fantasy, fabulism and magical realism, Brenda Peynado uses her stories to reflect our flawed

world, and the incredible, terrifying, and marvelous nature of humanity.

Rocking Chair Stories Nov 01 2022 Often it's hard to be different from others—to look different, to have different abilities, or to feel emotions in a different way from everyone else. It's important to accept all people, though, no matter how much they might not be like you. In "Rocking Chair Stories," a wide variety of people and animals experience what it is like to be unlike everyone around them. Brian deals with children who are making fun of the color of his skin. Sara is blind from birth and discovers the world through her other senses. Carolyn is an acrobat who is scared of heights, and Doug is a bully who must find a better way to behave. Charlie the peacock has a plain brown tail, while Pinky the pig has two tails—one more than most pigs! As they make their way in the world, the things that make them stand out from others also make them unique and special. This collection of children's stories explores the lives of people and animals who are not the same as those around them and helps teach the importance of accepting those differences.

Rock, Paper, Scissors Nov 20 2021 The first English-language collection of a contemporary Russian master of the short story. Maxim Osipov, who lives and practices medicine in a town ninety miles outside Moscow, is one of Russia's best contemporary writers. In the tradition of Anton Chekhov and William Carlos Williams, he draws on his experiences in medicine to write stories of great subtlety and striking insight. Osipov's fiction presents a nuanced, collage-like portrait of life in

provincial Russia—its tragedies, frustrations, and moments of humble beauty and inspiration. The twelve stories in this volume depict doctors, actors, screenwriters, teachers, entrepreneurs, local political bosses, and common criminals whose paths intersect in unpredictable yet entirely natural ways: in sickrooms, classrooms, administrative offices and on trains and in planes. Their encounters lead to disasters, major and minor epiphanies, and—on occasion—the promise of redemption.

She chronicled Bruce Springsteen's passage to glory, the Rolling Stones' legendary stadium tours, Michael Jackson's staggering ascent, U2's arrival in New York, and the brooding force of Bob Marley. Culture heroes like Bob Dylan and Patti Smith became frequent subjects for her lens. The range of her work is staggering. In Rock and Roll Stories, she shares the best of this work. Her commentary takes the reader into the studio, the tour bus, the
