2022 'Kate Manne

is the Simone de

Beauvoir of the 21st

century' - Amanda

Marcotte 'I want to

press this book on

every schoolgirl

who thinks that

feminism is uncool,

any woman who

thinks the most

important gender

battles are won,

pretty much every

man I know, and

say, have you

thought about this?'

Sophie McBain,

New Statesman

Male entitlement

takes many forms.

To sex, yes, but

more insidiously to

admiration, bodily

autonomy,

knowledge, power,

even care. In this

urgent intervention,

philosopher Kate

Manne offers a

radical new

framework for

understanding

misogyny. In clear-

sighted, powerful

prose, she ranges

widely across the

culture to show

how the idea that a

privileged man is

tacitly deemed to

be owed something

is a pervasive

problem. Male

entitlement can

explain a wide

array of

phenomena, from

mansplaining and

the undertreatment

of women's pain to

mass shootings by

incels and the

seemingly

intractable notion

that women are

'unelectable'. The

consequences for

girls and women

are often

devastating. As

Manne shows, toxic

masculinity is not just the product of a few bad actors; we are all implicated, conditioned as we are by the currents of our time. With wit and intellectual fierceness, she sheds new light on gender and power and offers a vision of a world in which women are just as entitled as men to be cared for, believed and valued.

Pitied But Not Entitled Nov 01

2022 When Americans denounce "welfare", most are thinking of the program of aid for single mothers and their children--the only program of the Social Security Act to become

stigmatized. Gordon uncovers the tangled roots of competing visions of welfare and shows that welfare reform can only work if it recognizes that single motherhood is an enduring aspect of contemporary life. Immigration & Nationality Law Handbook Aug 18 2021

Raising Grateful Kids in an Entitled World

Nov 20 2021 Welch helps readers discover why it's healthiest not to give their kids everything. Teaching them the difference between want and need is the first step in the

right direction to creating a Jesus-centered home. You and your children will actually mean it when you say "thank you" for everything you have.

No, You're Not Entitled to Your Opinion Sep 06 2020

From its early days as an unknown start-up, The Conversation published landmark essays such as Patrick Stokes's 'No, you're not entitled to your opinion', which saw the organisation grow into an important and valued part of the news media. It has since expanded to eight regions

around the world and is published in four languages. Contained within this ten-year anniversary collection are the essays that put The Conversation on the map: contemporary slavery, how Jesus wasn't white, how long sex usually lasts, and the close friendships birds form with people. There are timeless thought pieces and analysis of some of the biggest news events of recent times - the election of Donald Trump, Brexit, coronavirus and the #MeToo movement - as well as insights into why bad moods are good for you and why tests won't help kids who are poor spellers. These pieces chart not only the course of

one media organisation but also the world over the past decade. Contributors include: Eva Cox Michelle Grattan Raimond Gaita Tim Flannery Judith Brett Patrick Stokes Denis Muller Alison Whittaker Peter Ellerton Frank Bongiorno Alice Gorman Robyn J Whitaker Clare Corbould Jennifer Power Leah Ruppanner Michelle Arrow Andrew Whitehouse Xanthe Mallett Gisela Kaplan Leading Decisions Jun 03 2020 **United States Congressional Serial Set** Jan 11 2021 The Federal Reporter Nov 28 2019 *Deserving and Entitled* Sep 18
