Rules of the House Dec 14 2020 At publication date, a free ebook version of this title will be available through Luminos, University of California Press's Open Access publishing program. Visit www.luminoso.org to learn more. Rules of the House offers a dynamic revisionist account of the Japanese colonial rule of Korea (1910-1945) by examining the roles of women in the civil courts. Challenging the dominant view that women were victimized by the Japanese family laws and its patriarchal biases, Sungyun Lim argues that Korean women had to struggle equally against Korean patriarchal interests. Moreover, women were not passive victims; instead, they proactively struggled to expand their rights by participating in the Japanese colonial legal system. In turn, the Japanese doctrine of promoting progressive legal rights would prove advantageous to them. Following female plaintiffs and their civil disputes from the precolonial Choson dynasty through colonial times and into postcolonial reforms, this book presents a new and groundbreaking story about Korean women's legal struggles, revealing their surprising collaborative relationship with the colonial state.

House of Glass Mar 17 2021 A writer investigates her family's secret history, uncovering a story that spans a century, two World Wars, and three generations. Hadley Freeman knew her grandmother Sara lived in France just as Hitler started to gain power, but rarely did anyone in her family talk about it. Long after her grandmother's death, she found a shoebox tucked in the closet containing photographs of her grandmother with a mysterious stranger, a cryptic telegram from the Red Cross, and a drawing signed by Picasso. This discovery sent Freeman on a decade-long quest to uncover the significance of these keepsakes, taking her from Picasso's archives in Paris to a secret room in a farmhouse in Auvergne to Long Island to Auschwitz. Freeman pieces together the puzzle of her family's past, discovering more about the lives of her grandmother and her three brothers, Jacques, Henri, and Alex. Their stories sometimes typical, sometimes astonishing—reveal the broad range of experiences of Eastern European Jews during Holocaust. This thrilling family saga is filled with extraordinary twists, vivid characters, and famous cameos, illuminating the Jewish and immigrant experience in the World War II era. Addressing themes of assimilation, identity, and hope, this powerful story about the past echoes issues that remain relevant today.

The Amityville Horror Dec 02 2019 "A fascinating and frightening book" (Los Angeles Times)—the bestselling true story about a house possessed by evil spirits, haunted by psychic phenomena almost too terrible to describe. In December 1975, the Lutz family moved into their new home on suburban Long Island. George and Kathleen Lutz knew that, one year earlier, Ronald DeFeo had murdered his parents, brothers, and sisters in the house, but the property—complete with boathouse and swimming pool—and the price had been too good to pass up. Twenty-eight days later, the entire Lutz family fled in terror. This is the spellbinding, shocking true story that gripped the nation about an American dream that turned into a nightmare beyond imagining—"this book will scare the hell out of you" (Kansas City Star).

House of Stone Dec 26 2021 In spring 2011, Anthony Shadid was one of four New York Times reporters captured in Libya, cuffed and beaten, as that country was seized by revolution. When he was freed, he went home. Not to Boston or Beirut where he lived or to Oklahoma City, where his Lebanese-American family had settled. Instead, he returned to his great-grandfather's estate in Lebanon, a house that, over three years earlier, Shadid had begun to rebuild. House of Stone is the story of a battle-scarred home and a war correspondent's jostled spirit, and of how reconstructing the one came to fortify the other. Shadid creates a mosaic of past and present, tracing the house's renewal alongside his family's flight from Lebanon and resettlement in America. He memorializes a lost world and provides profound insights into this volatile landscape. House of Stone is an unforgettable meditation on war, exile, rebirth and the universal yearning for home.

The Two-Family House Apr 29 2022 "An emotional but dreamy novel that...will transport you far, far away from your next dreary Monday

morning. You may do a lot of sobbing, but don't worry, you'll be smiling by the end." —Bustle, "12 Spring Break Reads To Help You Escape Normal Life" **Buzzfeed, "14 Of The Most Buzzed-About Books" **Popsugar, "6 Books You Should Read" "A novel you won't be able to put down." —Diane Chamberlain, New York Times bestselling author Brooklyn, 1947: In the midst of a blizzard, in a two-family brownstone, two babies are born, minutes apart. The mothers are sisters by marriage: dutiful, quiet Rose, who wants nothing more than to please her difficult husband; and warm, generous Helen, the exhausted mother of four rambunctious boys who seem to need her less and less each day. Raising their families side by side, supporting one another, Rose and Helen share an impenetrable bond forged before and during that dramatic winter night. When the storm passes, life seems to return to normal; but as the years progress, small cracks start to appear and the once deep friendship between the two women begins to unravel. No one knows why, and no one can stop it. One misguided choice; one moment of tragedy. Heartbreak wars with happiness and almost, but not quite, wins. Moving and evocative, Lynda Cohen Loigman's debut novel *The Two-Family House* is a heart-wrenching, gripping multigenerational story, woven around the deepest of secrets.

Our House Is on Fire Aug 22 2021 "A must-read ecological message of hope . . . Greta had stopped eating and speaking, and her mother and father had reconfigured their lives to care for her. Steered by Greta's determination to understand the truth and generate change, they began to see the deep connections between their own suffering and the planet's. Written by a remarkable family and told through the voice of an iconoclastic mother, *Our House Is on Fire* is the story of how they fought their problems at home by taking global action. And it is the story of how Greta decided to go on strike from school, igniting a worldwide rebellion.

Outdoor Kids in an Inside World Jan 27 2022 NEW YORK TIMES BESTSELLER • The "imperative call to action" (Nick Offerman) to get children off their screens and into nature, with tips for bonding activities that teach the importance of outside time and build tough, curious, competent kids—from the New York Times bestselling author and host of the TV series and podcast *MeatEater* "A revelation for families struggling to get kids to GO OUTSIDE, or to just stop using the darn smartphone."—Michaeleen Doucleff, PhD, New York Times bestselling author of *Hunt, Gather, Parent* In the era of screens and devices, the average American spends 90 percent of their time indoors, and children are no exception. Not only does this phenomenon have consequences for kids' physical and mental health, it jeopardizes their ability to understand and engage with anything beyond the built environment. Thankfully, with the right mind-set, families can find beauty, meaning, and connection in a life lived outdoors. Here, outdoors expert Steven Rinella shares the parenting wisdom he has garnered as a father whose family has lived amid the biggest cities and wildest corners of America. Throughout, he offers practical advice for getting kids radically engaged with nature in a muddy, thrilling, hands-on way, with the ultimate goal of helping them see their own place within the natural ecosystem. No matter their location—rural, suburban, or urban—caregivers and kids will bond over activities such as: • Camping to conquer fears, build tolerance for dirt and discomfort, and savor the timeless pleasure of swapping stories around a campfire. • Growing a vegetable garden to develop a capacity to nurture and an appreciation for hard work. • Fishing local lakes and rivers to learn the value of patience while grappling with the possibility of failure. • Hunting for sustainably managed wild game to face the realities of life, death, and what it really takes to obtain our food. Living an outdoor lifestyle fosters in kids an insatiable curiosity about the world around them, confidence and self-sufficiency, and, most important, a lifelong sense of stewardship of the natural world. This book helps families connect with nature—and one another—as a joyful part of everyday life.

The House of Yan Feb 25 2022 Through the sweeping cultural and historical transformations of China, entrepreneur Lan Yan traces her family's history through the early 20th Century to present day. The history of the Yan family is inseparable from the history of China over the last century. One of the most influential business leaders of China today, Lan Yan grew up in the company of the country's powerful elite, including Mao Zedong, Zhou Enlai, and Deng Xiaoping. Her grandfather, Yan Baohang, originally a nationalist and ally of Chiang Kai-shek, later joined the communists and worked as a spy during World War II, never falling out of favor with Soong May-ling, aka Mrs. Chiang Kai-shek. Lan's parents were diplomats, and her father, Yan Mingfu, was Mao's personal Russian translator. In spite of their elevated status, the Yan's family life was turned upside down by the Cultural Revolution. One night in 1967, in front of a terrified ten-year-old Lan, Red Guards burst into the family home and arrested her grandfather. Days later, her father was arrested, accused of spying for the Soviet Union. Her mother, Wu Keilang, was branded a counter-revolutionary and forced to go with her daughter to a re-education camp for five years, where Lan came of age as a high school student. In recounting her family history, Lan Yan brings to life a century of Chinese history from the last emperor to present day, including the Cultural Revolution which tore her childhood apart. The reader obtains a rare glimpse into the mysteries of a system which went off the rails and would decimate a large swathe of the intellectual, economic and political elite country.

The little girl who was crushed by the Cultural Revolution has become one of the most active businesswomen in her country. In telling her and her family's story, Lan Yan serves up an intimate account of the history of contemporary China.

Abolish the Family May 07 2020 What if we could do better than the family? We need to talk about the family. For those who are lucky, families can be filled with love and care, but for many they are sites of pain: from abandonment and neglect, to abuse and violence. Nobody is more likely to harm you than your family. Even in so-called happy families, the unpaid, unacknowledged work that it takes to raise children and care for each other is endless and exhausting. It could be otherwise: in this urgent, incisive polemic, leading feminist critic Sophie Lewis makes the case for family abolition. *Abolish the Family* traces the history of family abolitionist demands, beginning with nineteenth century utopian socialist and sex radical Charles Fourier, the Communist Manifesto and early-twentieth century Russian family abolitionist Alexandra Kollontai. Turning her attention to the 1960s, Lewis reminds us of the anti-family politics of radical feminists like Shulamith Firestone and the gay liberationists, a tradition she traces to the queer marxists bringing family abolition to the twenty-first century. This exhilarating essay looks at historic rightwing panic about Black families and the violent imposition of the family on indigenous communities, and insists: only by thinking beyond the family can we begin to imagine what might come after.

The Dutch House Feb 02 2020 Finalist for the Pulitzer Prize New York Times Bestseller | A Read with Jenna Today Show Book Club Pick | A New York Times Book Review Notable Book | TIME Magazine's 100 Must-Read Books of 2019 Named one of the Best Books of the Year by NPR, The Washington Post; O: The Oprah Magazine, Real Simple, Good Housekeeping, Vogue, Refinery29, and Buzzfeed Ann Patchett, the #1 New York Times bestselling author of *Commonwealth*, delivers her most powerful novel to date: a richly moving story that explores the indelible bond between two siblings, the house of their childhood, and a past that will not let them go. *The Dutch House* is the story of a paradise lost, a tour de force that digs deeply into questions of inheritance, love and forgiveness, of how we want to see ourselves and of who we really are. At the end of the Second World War, Cyril Conroy combines luck and a single canny investment to begin an enormous real estate empire, propelling his family from poverty to enormous wealth. His first order of business is to buy the Dutch House, a lavish estate in the suburbs outside of Philadelphia. Meant as a surprise for his wife, the house sets in motion the undoing of everyone he loves. The story is told by Cyril's son Danny, as he and his older sister, the brilliantly acerbic and self-assured Maeve, are exiled from the house where they grew up by their stepmother. The two wealthy siblings are thrown back into the poverty their parents had escaped from and find that all they have to count on is one another. It is this unshakeable bond between them that both saves their lives and thwarts their futures. Set over the course of five decades, *The Dutch House* is a dark fairy tale about two smart people who cannot overcome their past. Despite every outward sign of success, Danny and Maeve are only truly comfortable when they're together. Throughout their lives they return to the well-worn story of what they've lost with humor and rage. But when at last they're forced to confront the people who left them behind, the relationship between an indulged brother and his ever-protective sister is finally tested.

The House on Mango Street Sep 10 2020 NATIONAL BESTSELLER • A coming-of-age classic, acclaimed by critics, beloved by readers of all ages, taught in schools and universities alike, and translated around the world—from the winner of the 2019 PEN/Nabokov Award for Achievement in International Literature. *The House on Mango Street* is the remarkable story of Esperanza Cordero, a young Latina girl growing up in Chicago, inventing for herself who and what she will become. Told in a series of vignettes—sometimes heart-breaking, sometimes deeply joyous—Sandra Cisneros' masterpiece is a classic story of childhood and self-discovery. Few other books in our time have touched so many readers. "Cisneros draws on her rich [Latino] heritage ... and seduces with precise, spare prose, creat[ing] unforgettable characters we want to lift off the page. She is not only a gifted writer, but an absolutely essential one." —The New York Times Book Review **House Life** Jul 01 2022 This book, which fills a gap on the materiality of lived relations, examines households within the context of their immediate physical surroundings of home and shows how human interactions are reflected in built forms. Houses are dynamic participants in family life in many ways. They often pre-date the origins and outlast the life spans of their inhabitants, but they can exert a powerful influence on the organization of behaviors and the values of family members, as well as on the forms and flows of family life across the generations. Constituting wealth, investment, security and inheritance, they are an objective in and of themselves in many domestic strategies. Drawing on developments within anthropology, archaeology, architecture and social history, the authors demonstrate, through detailed case studies, how household or family relations can usefully be mined to re-situate social theory in both space and time. Space, boundaries, family cycles, historic changes, migration patterns, ethnicity, memory and gender are all interrogated for the light they shed on how people interact with the physical world around them and what this means culturally and symbolically. Europe is an especially rich focus

for this kind of analysis because it is distinguished by its long, well-documented history and a recent period of intense change.

The Family Beach House Jul 09 2020 Multiple generations gather at a beloved summer house—wondering who will inherit it next—in this "dramatic and moving" novel (Booklist). Some houses have a personality of their own. Larchmere is that kind of place—a splendid, sprawling home with breathtaking views that open to briny Atlantic air and seabirds' calls. It's where Tilda McQueen O'Connell grew up and now vacations each year, and where she and her siblings—Adam, Hannah, and Craig—are commemorating the tenth anniversary of their mother's passing. But instead of the bittersweet but relaxing reunion Tilda expected, she finds chaos. Her father's plan to marry a younger woman has thrown the fate of the beach house into uncertainty. For Tilda, the stakes seem the highest. Alone and vulnerable two years after her husband's death, she sees Larchmere as not just a cherished part of her history, but her eventual refuge from the world. Faced with losing that legacy, Tilda must embrace an unknown future. And all the McQueens must reconcile their shared, sometimes painful past—and learn how to love one another even when it means forging a life apart. This poignant, evocative novel sweeps you into the picturesque town of Ogunquit, Maine, where a family in flux explores their ties to a beautiful beach house, and to each other. "Explores questions about the meaning of home, family dynamics and tolerance."—Bangor Daily News "Provides a touristy taste of Maine's seasonal attractions."—Publishers Weekly "A novel for all seasons."—The Maine Sunday Telegram

No House to Call My Home Jun 19 2021 In this lyrical debut, Ryan Berg immerses readers in the gritty, dangerous, and shockingly underreported world of homeless LGBTQ teens in New York. As a caseworker in a group home for disowned LGBTQ teenagers, Berg witnessed the struggles, fears, and ambitions of these disconnected youth as they resisted the pull of the street, tottering between destruction and survival. Focusing on the lives and loves of eight unforgettable youth, *No House to Call My Home* traces their efforts to break away from dangerous sex work and cycles of drug and alcohol abuse, and, in the process, to heal from years of trauma. From Bella's fervent desire for stability to Christina's irrepressible dreams of stardom to Benny's continuing efforts to find someone to love him, Berg uncovers the real lives behind the harrowing statistics: over 4,000 youth are homeless in New York City—43 percent of them identify as LGBTQ. Through these stories, Berg compels us to rethink the way we define privilege, identity, love, and family. Beyond the tears, bluster, and bravado, he reveals the force that allows them to carry on—the irrepressible hope of youth.

Dwelling in the World Aug 29 2019 By the early twentieth century, Chinese residents of the northern treaty-port city of Tianjin were dwelling in the world. Divided by nine foreign concessions, Tianjin was one of the world's most colonized and cosmopolitan cities. Residents could circle the globe in an afternoon, strolling from a Chinese courtyard house through a Japanese garden past a French Beaux-Arts bank to dine at a German café and fall asleep in a British garden city-style semi-attached brick house. *Dwelling in the World* considers family, house, and home in Tianjin to explore how tempos and structures of everyday life changed with the fall of the Qing Empire and the rise of a

colonized city. Elizabeth LaCouture argues that the intimate ideas and practices of the modern home were more important in shaping the gender and status identities of Tianjin's urban elites than the new public ideology of the nation. Placing the Chinese home in a global context, she challenges Euro-American historical notions that the private sphere emerged from industrialization. She argues that concepts of individual property rights that emerged during the Republican era became foundational to state-society relations in early Communist housing reforms and in today's middle-class real estate boom. Drawing on diverse sources from municipal archives, women's magazines, and architectural field work to social surveys and colonial records, *Dwelling in the World* recasts Chinese social and cultural history, offering new perspectives on gender and class, colonialism and empire, visual and material culture, and technology and everyday life.

House of Sticks Sep 22 2021 New York City Book Awards Hornblower Award Winner One of Vogue and NPR's Best Books of the Year This beautifully written "masterclass in memoir" (Elle) recounts a young girl's journey from war-torn Vietnam to Queens, New York, "showcas[ing] the tremendous power we have to alter the fates of others, step into their lives and shift the odds in favor of greater opportunity" (Star Tribune, Minneapolis). Ly Tran is just a toddler in 1993 when she and her family immigrate from a small town along the Mekong river in Vietnam to a two-bedroom railroad apartment in Queens. Ly's father, a former lieutenant in the South Vietnamese army, spent nearly a decade as a POW, and their resettlement is made possible through a humanitarian program run by the US government. Soon after they arrive, Ly joins her parents and three older brothers sewing ties and cummerbunds piece-meal on their living room floor to make ends meet. As they navigate this new landscape, Ly finds herself torn between two worlds. She knows she must honor her parents' Buddhist faith and contribute to the family livelihood, working long hours at home and eventually as a manicurist alongside her mother at a nail salon in Brooklyn that her parents take over. But at school, Ly feels the mounting pressure to blend in. A growing inability to see the blackboard presents new challenges, especially when her father forbids her from getting glasses, calling her diagnosis of poor vision a government conspiracy. His frightening temper and paranoia leave a mark on Ly's sense of self. Who is she outside of everything her family expects of her? An "unsentimental yet deeply moving examination of filial bond, displacement, war trauma, and poverty" (NPR), *House of Sticks* is a timely and powerful portrait of one girl's coming-of-age and struggle to find her voice amid clashing cultural expectations.

The Tasha Tudor Family Cookbook Nov 24 2021 Comforting dishes and heartwarming paintings from the beloved children's-book author and illustrator. World-renowned artist Tasha Tudor fascinated fans with her sweet illustrations and simple lifestyle. This beautiful cookbook has been put together by her grandson, who carries on her legacy in Vermont. The recipes, or as she called them, receipts, also suggest Tasha's philosophy. In all things moderation, she would say—then with a laugh, except gardening. Tasha's grocery list was never long. She had a robust vegetable garden, a large chest freezer, and a well-stocked larder. She created countless meals over many decades, and they were all very good. When possible, Tasha purchased fresh food, the origin and method of production of which she knew. But if she couldn't, or didn't want to, she didn't worry. Frugality was on her shopping list as well. These receipts—from Tasha's poppy seed cake to shepherd's pie, potato soup to chocolate pudding—have been the mainstay of Tasha's family for generations and are, for the most part, from the original cookbook she began as a young woman. The simple, comforting, and delicious receipts are accompanied by her beautiful watercolors and new photographs of the food and Tasha's homestead.

The House of Broken Angels Sep 30 2019 'Epic . . . Rambunctious . . . Highly entertaining' New York Times 'All we do, mija, is love. Love is the answer. Nothing stops it. Not borders. Not death.' In his final days, beloved and ailing patriarch Miguel Angel de La Cruz, affectionately called Big Angel, has summoned his entire clan for one last legendary birthday party. But as the party approaches, his mother, nearly one hundred, dies, transforming the weekend into a farewell doubleheader. Among the guests is Big Angel's half brother, known as Little Angel, who must reckon with the truth that although he shares a father with his siblings, he has not, as a half gringo, shared a life. Across two bittersweet days in their San Diego neighbourhood, the revellers mingle among the palm trees and cacti, celebrating the lives of Big Angel and his mother, and recounting the many inspiring tales that have passed into family lore, the acts both ordinary and heroic that brought these citizens to a fraught and sublime country and allowed them to flourish in the land they have come to call home. Teeming with brilliance and humor, authentic at every turn, *The House of Broken Angels* is Luis Alberto Urrea at his best, and cements his reputation as a storyteller of the first rank.
