Nothing to Lose, Everything to Gain Mar 25 2022 The incredible story of a gang member who became a multimillionaire CEO. Ryan Blair's middle-class upbringing came to an abrupt end when his father succumbed to drug addiction and abandoned his family. Blair and his mother moved to a dangerous neighborhood, and soon he was in and out of juvenile detention, joining a gang just to survive. Then his mother fell in love with a successful entrepreneur who took Ryan under his wing. With his mentor's help, Blair turned himself into a wildly successful multimillionaire, starting and selling three companies worth hundreds of millions of dollars. This book will inspire and guide people who are willing to do whatever necessary-hard work, long hours, sweat equity-to take their vision from paper to pavement. Blair gives readers a road map for successful entrepreneurship.

Uncommon Type May 03 2020 A collection of seventeen wonderful short stories showing that two-time Oscar winner Tom Hanks is as talented a writer as he is an actor. A gentle Eastern European immigrant arrives in New York City after his family and his life have been torn apart by his country's civil war. A man who

loves to bowl rolls a perfect game--and then another and then another and then many more in a row until he winds up ESPN's newest celebrity, and he must decide if the combination of perfection and celebrity has ruined the thing he loves. An eccentric billionaire and his faithful executive assistant venture into America looking for acquisitions and discover a down and out motel, romance, and a bit of real life. These are just some of the tales Tom Hanks tells in this first collection of his short stories.

They are surprising, intelligent, heartwarming, and, for the millions and millions of Tom Hanks fans, an absolute must-have!

Obsessed - Until You're Mine Sep 06 2020 You don't see me, but I see you. I always see you. I'm always there - no matter what you do. No matter if you're a lovely mother during the day or a debauched whore at night. I see you reading to your child or wrapping your legs around a pole. I see you rubbing your petite body against other men and serving guests in your chaste uniform. I know who you are, and who you would like to be. I know what you need and you will get it. Soon. Then you will be mine.

Obsessed Oct 20 2021 The 2020 Porchlight Marketing & Sales Book of the Year The cofounder and chief branding officer of Red Antler, the branding and marketing company for startups and new ventures, explains how hot new brands like Casper, Allbirds, Sweetgreen, and Everlane build devoted fan followings right out of the gate. We're in the midst of a startup revolution, with new brands popping up every day, taking over our Instagram feeds and vying for our affection. Every category is up for grabs, and traditional brands are seeing their businesses erode as hundreds of small companies encroach on their territory, each hoping to become the next runaway success. But it's not enough to have a great idea, or a cool logo. Emily Heyward founded Red Antler, the Brooklyn based brand and marketing company, to help entrepreneurs embed brand as a driver of business success from the beginning. In Obsessed, Heyward outlines the new principles of what it takes to build and launch a brand that has people

queuing up to buy it on opening day. She takes you behind the scenes of the creation of some of today's hottest new brands, showing you:

- How Casper was able to upend the mattress industry by building a beloved brand where none had existed before
- How the dating app Hinge won a fanatical user base and great word-of-mouth with the promise that the app was "designed to be deleted"
- Why luggage startup Away, now valued at \$1.4 billion, could build their brand around love of travel by launching with just one product--a hard-shell carry-on suitcase--rather than a whole range of luggage offerings.

Whether you're starting a new business, launching a new product line, or looking to refresh a brand for a new generation of customers, Obsessed shows you why the old rules of brand-building no longer apply, and what really works for today's customers.

[How To Make Someone Obsessed With You](#) Dec 10 2020 You've witnessed the power that obsession has over people. People will do anything for someone they are obsessed with. Fans will travel across the world to see a celebrity they are obsessed with. A person will become a slave to someone they are obsessed with. Many people are immune to subtle signs of manipulation. The only thing people are not immune to, is falling in love, and obsession. A person obsessed with you, is a person under your control. Scarlett Kennedy uncovers the real causes of obsession, how to take advantage of it, the common types of people in the world, and how you can make them obsessed with you. Because not one size fits all. Scarlett also creates personality profiles for her targets and documents what has worked and what hasn't worked. As well as the dangers of holding all the power in your hands.

Selfie Apr 25 2022 "An intriguing odyssey" though the history of the self and the rise of narcissism (The New York Times). Self-absorption, perfectionism, personal branding—it wasn't always like this, but it's always been a part of us. Why is the urge to look at ourselves so powerful? Is there any way to break its

spell—especially since it doesn't necessarily make us better or happier people? Full of unexpected connections among history, psychology, economics, neuroscience, and more, *Selfie* is a "terrific" book that makes sense of who we have become (NPR's *On Point*). Award-winning journalist Will Storr takes us from ancient Greece, through the Christian Middle Ages, to the self-esteem evangelists of 1980s California, the rise of the "selfie generation," and the era of hyper-individualism in which we live now, telling the epic tale of the person we all know so intimately—because it's us. "It's easy to look at Instagram and selfie-sticks and shake our heads at millennial narcissism. But Will Storr takes a longer view. He ignores the easy targets and instead tells the amazing 2,500-year story of how we've come to think about our selves. A top-notch journalist, historian, essayist, and sleuth, Storr has written an essential book for understanding, and coping with, the 21st century." —Nathan Hill, *New York Times*-bestselling author of *The Nix* "This fascinating psychological and social history . . . reveals how biology and culture conspire to keep us striving for perfection, and the devastating toll that can take."—*The Washington Post* "Able synthesizes centuries of attitudes and beliefs about selfhood, from Aristotle, John Calvin, and Freud to Sartre, Ayn Rand, and Steve Jobs." —*USA Today* "Eminently suitable for readers of both Yuval Noah Harari and Daniel Kahneman, *Selfie* also has shades of Jon Ronson in its subversive humor and investigative spirit." —Bookseller "Storr is an electrifying analyst of Internet culture." —*Financial Times* "Continually delivers rich insights . . . captivating." —*Kirkus Reviews*

The 10X Rule Jul 17 2021 Achieve "Massive Action" results and accomplish your business dreams! While most people operate with only three degrees of action—no action, retreat, or normal action—if you're after big goals, you don't want to settle for the ordinary. To reach the next level, you must understand the coveted 4th degree of action. This 4th degree, also known as the

10 X Rule, is that level of action that guarantees companies and individuals realize their goals and dreams. The 10 X Rule unveils the principle of "Massive Action," allowing you to blast through business clichés and risk-aversion while taking concrete steps to reach your dreams. It also demonstrates why people get stuck in the first three actions and how to move into making the 10X Rule a discipline. Find out exactly where to start, what to do, and how to follow up each action you take with more action to achieve Massive Action results. Learn the "Estimation of Effort" calculation to ensure you exceed your targets Make the Fourth Degree a way of life and defy mediocrity Discover the time management myth Get the exact reasons why people fail and others succeed Know the exact formula to solve problems Extreme success is by definition outside the realm of normal action. Instead of behaving like everybody else and settling for average results, take Massive Action with The 10 X Rule, remove luck and chance from your business equation, and lock in massive success.

Paper Tiger Oct 27 2019 "Think country-club clinic meets Navy Seals training. I will pay any price, bear any burden, leave my home to follow the seasons, build my own swing studio in the basement, construct a practice green in my backyard. . . . Everything the big boys have access to, I want double." Like most amateur golfers, Tom Coyne had often wondered whether the pros won because they were more talented or because they were more obsessed. Overweight and burdened by a 14 handicap, he decided to find out for himself what it takes to play like a pro. Charting his journey, which included hiring top golf gurus such as Dr. Jim Suttie—Paper Tiger takes readers from the Michelob tournament (a win for Tom) to the Australian Tour—where forty-mile-per-hour winds and a driving rain scare off his Japanese partners. With each chapter, he tracks his weight alongside his handicap, pursuing his dream with a reckless abandon that comes to involve hardcore diets, pricey technology, even psychologists.

With echoes of *Dead Solid Perfect* and *Who's Your Caddy?* Tom brings his uniquely edgy, deeply human perspective to a game that can simultaneously bring out the best and the worst in everyone who tries to master it.

Obsessed Feb 09 2021 Living in Los Angeles in the early 1970s, real-estate dealer Stephen Friedman becomes hungry for answers after he discovers a deceased woman's papers that indicate she owned a priceless religious relic, and that she may have been his mother.

Obsessed Jul 29 2022 A brave teen recounts her debilitating struggle with obsessive-compulsive disorder—and brings readers through every painful step as she finds her way to the other side—in this powerful and inspiring memoir. Until sophomore year of high school, fifteen-year-old Allison Britz lived a comfortable life in an idyllic town. She was a dedicated student with tons of extracurricular activities, friends, and loving parents at home. But after awakening from a vivid nightmare in which she was diagnosed with brain cancer, she was convinced the dream had been a warning. Allison believed that she must do something to stop the cancer in her dream from becoming a reality. It started with avoiding sidewalk cracks and quickly grew to counting steps as loudly as possible. Over the following weeks, her brain listed more dangers and fixes. She had to avoid hair dryers, calculators, cell phones, computers, anything green, bananas, oatmeal, and most of her own clothing. Unable to act “normal,” the once-popular Allison became an outcast. Her parents questioned her behavior, leading to explosive fights. When notebook paper, pencils, and most schoolbooks were declared dangerous to her health, her GPA imploded, along with her plans for the future. Finally, she allowed herself to ask for help and was diagnosed with obsessive-compulsive disorder. This brave memoir tracks Allison’s descent and ultimately hopeful climb out of the depths.

Obsessed Nov 20 2021 Investigative journalist Avik has finally

found the one case that could bring him glory. Or death. As the mystery behind millionaire Kalki Rajput's murder grows thicker, Avik is forced to risk it all to bring out the truth that has eluded many before him. If only he could uncover what the victim's daughter had witnessed. Of course, that would mean diving into the depths of her madness. He had thought he could resurface with the truth. Now he will count himself lucky if he makes it out alive. And sane.

Obsessed Sep 18 2021 Elise I'm obsessed with Aston. He became my addiction the moment I met him at 10 years old. He was my best friend from childhood. He protected me and guided me. I loved him fiercely long before I really understood what love was. We were inseparable. He knew how I felt, and sometimes he would stare at me in ways that made me breathless. But there were boundaries. Lines that couldn't be crossed. Looks that shouldn't be exchanged. Lips that shouldn't be kissed. We weren't supposed to love each other. Not in **that** way. Because, you see, Aston was also my adopted brother... Aston Elise was off-limits, a temptation that cursed my existence with this visceral hunger to have her, possess her, and taste her like she was made for me. I was tormented and on the brink of falling. If I stepped over that boundary, if I gave into my want, I wasn't sure I could survive the disappointment of my adopted parents. We would all be affected. Our lives wouldn't be the way it was. That change was irreversible, and the damage would be permanent. It was a scary thought, destroying a foundation and rebuilding it without knowing what it might end up looking like. But my want for her...it sat in the core of me, growing and growing. And want is a dangerous fucking thing. It clouds your judgment, it makes you weak, and I knew...I knew without a doubt, it was only a matter of time before I cracked. Obsession was devotion. Obsession was mania and need. It was a compulsive urge to self-gratify by wanting, and wanting, and wanting 'til it hurt, 'til you could feel it there in your bones, gnawing its way deeper within you.

Obsession was my craze for Elise. She was my impulse. My...pulse itself. It wasn't healthy. I knew that. I didn't fucking care either.

Be Obsessed or Be Average Nov 01 2022 From the millionaire

entrepreneur and New York Times bestselling author of *The 10X Rule* comes a bold and contrarian wake-up call for anyone truly ready for success. One of the 7 best motivational books of 2016, according to *Inc. Magazine*. Before Grant Cardone built five successful companies (and counting), became a multimillionaire, and wrote bestselling books... he was broke, jobless, and drug-addicted. Grant had grown up with big dreams, but friends and family told him to be more reasonable and less demanding. If he played by the rules, they said, he could enjoy everyone else's version of middle class success. But when he tried it their way, he hit rock bottom. Then he tried the opposite approach. He said NO to the haters and naysayers and said YES to his burning, outrageous, animal obsession. He reclaimed his obsession with wanting to be a business rock star, a super salesman, a huge philanthropist. He wanted to live in a mansion and even own an airplane. Obsession made all of his wildest dreams come true. And it can help you achieve massive success too. As Grant says, we're in the middle of an epidemic of average. The conventional wisdom is to seek balance and take it easy. But that has really just given us an excuse to be unexceptional. If you want real success, you have to know how to harness your obsession to rocket to the top. This book will give you the inspiration and tools to break out of your cocoon of mediocrity and achieve your craziest dreams. Grant will teach you how to:

- Set crazy goals—and reach them, every single day.
- Feed the beast: when you value money and spend it on the right things, you get more of it.
- Shut down the doubters—and use your haters as fuel.

Whether you're a sales person, small business owner, or 9-to-5 working stiff, your path to happiness runs through your obsessions. It's a simple choice: be obsessed or be average.

The Obsessed Nov 08 2020 The book will delve into the world of Japanese subcultures and the obsessive approach that many people take to their hobbies, passions and lifestyle choices. Japanese Subcultures will contain photos and texts - such as

potentially profiles, essays or features - of a diverse range of Otaku and other fans and followers of different subcultures, and will unveil what is behind these obsessions and what makes these people tick.

White Noise Dec 30 2019 A brilliant satire of mass culture and the numbing effects of technology, *White Noise* tells the story of Jack Gladney, a teacher of Hitler studies at a liberal arts college in Middle America. Jack and his fourth wife, Babette, bound by their love, fear of death, and four ultramodern offspring, navigate the rocky passages of family life to the background babble of brand-name consumerism. Then a lethal black chemical cloud, unleashed by an industrial accident, floats over their lives, an "airborne toxic event" that is a more urgent and visible version of the white noise engulfing the Gladneys—the radio transmissions, sirens, microwaves, and TV murmurings that constitute the music of American magic and dread.

Obsessed with Star Wars Jun 15 2021 In what detention block was Princess Leia held? What was the diameter of the Death Star? Who retrieved C-3PO's head in the Battle of Geonosis? These questions and more will challenge even the most die-hard Star Wars® fans. Now available in paperback, this bestselling trivia book of 2,500 original questions covering little-known facts, entertaining quotes, and tough trivia from Star Wars® Episodes I-VI is the ultimate test for the true Star Wars® devotee.

Obsession Nov 28 2019 We live in an age of obsession. Not only are we hopelessly devoted to our work, strangely addicted to our favorite television shows, and desperately impassioned about our cars, we admire obsession in others: we demand that lovers be infatuated with one another in films, we respond to the passion of single-minded musicians, we cheer on driven athletes. To be obsessive is to be American; to be obsessive is to be modern. But obsession is not only a phenomenon of modern existence: it is a medical category—both a pathology and a goal. Behind this paradox lies a fascinating history, which Lennard J. Davis tells in

Obsession. Beginning with the roots of the disease in demonic possession and its secular successors, Davis traces the evolution of obsessive behavior from a social and religious fact of life into a medical and psychiatric problem. From obsessive aspects of professional specialization to obsessive compulsive disorder and nymphomania, no variety of obsession eludes Davis's graceful analysis.

Obsessed Aug 25 2019 I'm not a good man. And it turns out I'm an even worse professor. I have sinful thoughts about one of my students. Every night. I picture her in my bed. In my shower.

Underneath me. Right up against the chalkboard. I'm especially fond of that one. In my defense, I know her thoughts are as sinful as mine. She's begging me with her beautiful blue eyes. She's daring me to cross the line. No, I'm not a good man. And I'm done pretending to be. I know exactly what I'm going to do to her as soon as she walks into my office hours...

Obsessed May 15 2021 The New York Times bestselling author of *Bad Girls* tells the true-crime tale of a Connecticut woman who became a real-life Fatal Attraction. Sheila Davaloo was young, attractive, and successful. When she started a new job at a cutting-edge research lab in Stamford, Connecticut, she met the man of her dreams. Nelson Sessler had no idea how violently Sheila would react when he began seeing a co-worker, Anna Lisa Raymundo. Sheila eliminated her rival in a bloody knife attack—and then turned her rage on another victim she saw as an obstacle to her passions. M. Williams Phelps recounts the riveting story of a white-collar love triangle gone horribly wrong . . . and the terrifying infatuation that drove one woman to kill. Praise for *Obsessed* “True-crime junkies will be sated by the latest thriller from Phelps, which focuses on a fatal love triangle that definitely proved to be stranger than fiction. The police work undertaken to solve the case is recounted with the right amount of detail, and readers will be rewarded with shocking television-worthy twists in a story with inherent drama.” —Publishers Weekly Includes sixteen pages of dramatic photos

Alexandr Obsessed Jul 05 2020 "I LOVE A WOMAN WITH AN APPETITE." If only he knew! The moment powerful Alexandr sees the innocent American student, he knows that he must have her, whatever it takes. He will make her his, teach her for the first time what it means to feel the force of a Russian man who knows exactly how to take whatever he wants. When Cate first encounters Alexandr, the sight of his huge, gorgeous body makes her fearful, not knowing how to react to the powerful man's insistent demands. She is reluctant to trust him until she learns how passionate and determined he is to protect her and give her everything she needs in the long, blue nights. This hot, insta-love romance has enough pent-up passion and fulfillment of raw, surging need to start a forest fire.

Obsessed Jun 23 2019 Elizabeth 'Elle' Blackman has always enjoyed the simple pleasures in life: reading romance novels, exploring new places, spending time with her family and friends, and getting lost in her music. A professional singer surrounded by family, friends, and fans in her small hometown, Elle never expected the balance of her carefree life to be disrupted. Days before she is set to go on tour, Elle learns that someone is out to get her. If she's going to remain safe, Elle makes the only sensible choice there is...Run. Run right to the front door of Cunningham Security, where the owner is not only the man that is capable of keeping her safe, but also the guy she's been attracted to for months. The downside? He's made the decision not to be in a relationship with her. Levi Cunningham is the owner of Cunningham Security, a private investigations and security firm. When Elle arrives at the doorstep of his firm, terrified for her safety and asking for help, his protective instinct kicks in. Learning of her troubles, Levi makes it his mission to uncover the identity of the stalker while keeping Elle safe from harm. Less than twenty-four hours into it, Levi realizes he's not going to be able to fight the attraction he's had toward Elle for the last few months. As Levi and his team work to solve Elle's case, the

relationship between them quickly goes from strictly business to deeply personal. A romantic relationship in its infancy is difficult enough. Add in an obsessed cyberstalker and you've got a recipe for disaster. Will Elle's stalker succeed in destroying the beloved singer's career and newfound romance or will her stalker's efforts to bring her down only propel Elle toward success in both her professional and personal life?

Rock Bottom to Rock Star Jan 23 2022 Can you remember that one time you got recognized or someone thanked you for your contribution to their life? You were a rock star, even for just one second. This book isn't about a charmed path to success or some untouchable fairy tale that nobody can relate to-this is about going from rock bottom to rock star, something that everybody can relate to. In his first book, Blair shared the brutally honest story of how he went from an at-risk youth, sleeping on a mattress on the floor of a shack, to a self-made multimillionaire by his early twenties. As his story became a national sensation, fans started asking him how they too could become entrepreneurs, take their careers to the next level, and achieve financial freedom. Rock Bottom to Rock Star answers those questions. Blair has battled extreme obstacles: life as a former gang member, balancing a demanding career with single parenthood, building and selling multiple companies, and making and losing tens of millions of dollars (sometimes all in one day). He wants to help others avoid the mistakes he made in the school of hard knocks, so he has compiled his unique advice for going from rock bottom to rock star in whatever field you chose to pursue. Much of his advice is counterintuitive, and definitely not what you would learn in business school. Here's one example: "Don't believe your own hype. The moment you start celebrating, you've left the stage. It wasn't celebration that made you a rock star. It was hard work." If you're serious about making the most of your life and you're ready to become the "rock star next door" instead of just looking up to them, this may be the most rewarding book you'll ever read.

Obsessed Dec 22 2021 A Madman's Game. . . For him, the thrill lies in the hunt. In striking only when the moon is full. In his victims' agony as he leaves them with the perfect calling card: a broken heart carved into their chests. . . . Could End With Her Life After months on the trail of the twisted Seattle serial rapist, Detective Vincent D'Ambruzzi is closing in on his quarry--no thanks to the uncooperative Ivy Pennington, M.D. Soon, D'Ambruzzi discovers that he isn't the only one infuriated--and captivated--by the beautiful ER physician. Hidden in the shadows, looming closer with every phase of the moon, is the stranger he seeks--and he's bent on making Ivy his next victim. . .

Obsessed Aug 18 2021 Obsessed is not about obsession for a new purse or a new car. Instead, these stories sizzle with the kind of obsession that is fueled by our deepest desires, the ones that hold couples together, the ones that haunt us and don't let go. Whether just-blooming passions, rekindled sparks, or reinvented relationships, these lovers put the object of their obsession first. From the almost-divorced couple in "Aftershocks," by Bella Andre, who finally confess their deepest desires during an earthquake, to a woman who confesses to her boyfriend just how much she lusts after another man in Emerald's "Then," these lovers push the boundaries of their relationship and the boundaries of their trust in each other. Obsessed lovers don't always do what is rational; sometimes they chase their dreams, such as in Kayla Perrin's "One Night in Paris," across the world and across the landscape of their lovers' bodies.

Beyond Beautiful Aug 06 2020 The ultimate guide to building confidence in your body, beauty, clothes and life in an era of toxic social media-driven beauty standards. "A self-confidence bible that every woman should read."—Caroline Dooner, author of The F*ck It Diet Empowering, insightful, and psychology-driven, Beyond Beautiful is filled with proven, no-BS strategies for proactive self-care. Popular Mar 01 2020 Who doesn't want to be more popular? Surely a person's popularity, be it at school, work or socially, is the best predictor of how happy and successful they will be? The truth is actually much more complex and is based on millennia of human evolution. This impeccably researched and highly entertaining book presents two very distinct types of popularity and shows how only one of them will get you what you want. Professor of Psychology and popularity expert Mitch Prinstein has

based his book *Popular* on two decades of research into the human psyche and genetic make-up. He investigates the science of what popularity is, why we care about it so much – even if we don't think we do – and if we can still become popular, even if we were outcasts when we were younger. He investigates social media phenomena, including Facebook friends, Instagram likes and Twitter followers, and explores how they tap into our basic need to survive. He also examines the correlation between popularity, health and lifespan, and offers important insights into parenting for popularity, explaining why supporting children in the right way will help them cultivate the right kind of popularity and shape them positively as adults in the future. An enlightening read on a topic that has fascinated us for centuries, *Popular* will provide insight into your own popularity and how it influences your life in unexpected ways.

Obsessed by a Dream Jan 11 2021 This Open Access biography chronicles the life and achievements of the Norwegian engineer and physicist Rolf Widerøe. Readers who meet him in the pages of this book will wonder why he isn't better known. The first of Widerøe's many pioneering contributions in the field of accelerator physics was the betatron. He later went on to build the first radiation therapy machine, an advance that would eventually revolutionize cancer treatment. Hospitals worldwide installed his machine, and today's modern radiation treatment equipment is based on his inventions. Widerøe's story also includes a fair share of drama, particularly during World War II when both Germans and the Allies vied for his collaboration. Widerøe held leading positions in multinational industry groups and was one of the consultants for building the world's largest nuclear laboratory, CERN, in Switzerland. He gained over 200 patents, received several honorary doctorates and a number of international awards. The author, a professional writer and maker of TV documentaries, has gained access to hitherto restricted archives in several countries, which provided a wealth of new

material and insights, in particular in relation to the war years. She tells here a gripping and illuminating story.

From Impressed to Obsessed: 12 Principles for Turning Customers and Employees into Lifelong Fans Feb 21 2022

Stop satisfying your customers - and start impressing them - using the strategies of Apple, Costco, Disney, and other industry dominators. If you're aspiring to satisfy your customers, then you're aspiring to mediocrity. That's the fascinating premise of *From Impressed to Obsessed*, a book that will fundamentally change how you think about creating a successful, beloved business. Renowned customer experience expert Jon Picoult takes you on a mesmerizing journey, showing how customer loyalty is as much about shaping people's memories as it is about shaping their experiences. Through captivating stories and eye-opening studies, Picoult explains the 12 breakthrough, psychology-based strategies that successful companies use to impress customers - leading them to become obsessed with the business's products and services, and to encourage others to do the same. Filled with actionable examples, you'll see how you can immediately apply these principles to turn more sales prospects into customers, and more customers into raving fans. Picoult even demonstrates how business leaders can use the very same principles to strengthen employee engagement and loyalty. Turn your organization's customer experience into its greatest competitive advantage, by applying the simple but profound lessons in *From Obsessed to Impressed*.

Hustle and Float Jun 03 2020 OUR CULTURE HAS BECOME OBSESSED WITH HUSTLING. As we struggle to keep up in a knowledge economy that never sleeps, we arm ourselves with life hacks, to-do lists, and an inbox-zero mentality, grasping at anything that will help us work faster, push harder, and produce more. There's just one problem: most of these solutions are making things worse. Creativity isn't produced on an assembly line, and endless hustle is ruining our mental and physical health while subtracting from our creative performance. Productivity and Creativity are not compatible; we are stuck between them, and like the opposite poles of a magnet, they are tearing us apart. When we're told to sleep more, meditate, and slow down, we nod our heads in agreement, yet seem incapable of applying this advice in our own lives. Why do we act against our creative best interests? WE HAVE FORGOTTEN HOW TO FLOAT. The answer lies in our history, culture, and biology. Instead of focusing on how we work, we must understand why we work—why we believe that what we do determines who we are. Hustle and Float explores how our work culture creates contradictions between

what we think we want and what we actually need, and points the way to a more humane, more sustainable, and, yes, more creative, way of working and living.

Be Obsessed or Be Average Sep 30 2022 From the millionaire entrepreneur and New York Times bestselling author of The 10X Rule comes a bold and contrarian wake-up call for anyone truly ready for success. One of the 7 best motivational books of 2016, according to Inc. Magazine. Before Grant Cardone built five successful companies (and counting), became a multimillionaire, and wrote bestselling books... he was broke, jobless, and drug-addicted. Grant had grown up with big dreams, but friends and family told him to be more reasonable and less demanding. If he played by the rules, they said, he could enjoy everyone else's version of middle class success. But when he tried it their way, he

hit rock bottom. Then he tried the opposite approach. He said NO to the haters and naysayers and said YES to his burning, outrageous, animal obsession. He reclaimed his obsession with wanting to be a business rock star, a super salesman, a huge philanthropist. He wanted to live in a mansion and even own an airplane. Obsession made all of his wildest dreams come true. And it can help you achieve massive success too. As Grant says, we're in the middle of an epidemic of average. The conventional wisdom is to seek balance and take it easy. But that has really just given us an excuse to be unexceptional. If you want real success, you have to know how to harness your obsession to rocket to the top. This book will give you the inspiration and tools to break out of your cocoon of mediocrity and achieve your craziest dreams. Grant will teach you how to:

- Set crazy goals—and reach them, every single day.
- Feed the beast: when you value money and spend it on the right things, you get more of it.
- Shut down the doubters—and use your haters as fuel.

Whether you're a sales person, small business owner, or 9-to-5 working stiff, your path to happiness runs through your obsessions. It's a simple choice: be obsessed or be average.

Summary, Analysis & Review of Grant Cardone's Be Obsessed or Be Average by Instaread Jun 27 2022 Summary, Analysis & Review of Grant Cardone's Be Obsessed or Be Average by Instaread Preview: Be Obsessed or Be Average by Grant Cardone explains how to harness an obsessive or addictive personality for success in the business world. Cardone experienced loss in his family, first economically and then when his father died, and eventually became a struggling car salesman with a drug addiction problem. When he finished a short rehabilitation program, he decided to manage his tendency toward addiction by expending his energy on self-improvement in business and his personal life. He became one of the top automotive salespeople in the country, started investing in real estate, and now owns properties worth \$400 million. He

attributes this to his obsession with success, which he applies to his family life as well as his business. The first step of obsession-powered success is to embrace an obsessive personality. A person's obsession should be focused on his or her purpose. Maintaining an obsession involves "feeding the beast" by...
