Turn on the news, and you'll be bombarded with stories of vicious crimes, cruel wars, and terrible disasters. From all appearances, our world seems to be hurtling toward a catastrophic finale. But whos to blame for all this chaos, anyway? Is there actually a rational explanation for the horrific events that take place each and every day? And is there anything that could save us from this mess? Alejandro Bull tackles these and other daunting questions and discovers that the crisis in which weve found ourselves is itself a sign of hope pointing to the grand finale the second coming of Jesus.

Chronological Signs of the Second Coming of Christ May 27 2022 The second coming of Jesus Christ will be a great day for the righteous and a dreadful day for those who are wicked. This book is designed to prepare you, to warn you, and to answer your questions about the coming of Christ. Ultimately, the most important thing you can do is to prepare yourself to enter the presence of the Lord. Signs is a scriptural guidebook on that journey. Author Shaun Bailey has used modern technology and a lifetime of study to search the scriptures for clues that don't just identify the signs of the times, but put them in a useful chronological order. Over 540 scriptural references and quotes from the prophets are compiled to explore 37 signs in depth and in context. This is the first book in a two-part series, and deals with the events of the sixth seal, or the time period "before the great and dreadful day of the Lord."

Creation and the Second Coming Oct 08 2020 To understand the end, you must understand the beginning. God's plan for the Second Coming of Jesus Christ began in the Book of Genesis with the events of Creation and the rebellious Fall of Man. God's great plan of redemption and salvation through Christ is still underway and will culminate with His triumphant return, but before this event, the Bible tells of a clear set of signs that will mark the final days. The political upheaval in the Middle East, the New-Age movement, and the call for a one-world government were all foretold in God's Word. The Bible's prophetic writers give key "signs" of the return of Christ, and in this classic work from renowned author and creation scientist Dr. Henry M. Morris, he reveals how each "sign" is an outgrowth of evolutionary humanism or pantheism.

The SECOND COMING OF CHRIST Oct 27 2019 The information herein is based on the disciples coming to Jesus privately, saying, "Tell us, (1) when will these things be, and (2) what will be the sign of your coming, and (3) of the end of the age?" (Matthew 24:3) What will end? When will the end come? What comes after the end? Who will survive the end? These questions and far more will be answered as Andrews delves into The SECOND COMING OF CHRIST. In chapters 1 and 2, we must address why Jesus is saying there would be an end to the Jewish age. In chapter 3, we will take a deep look at the signs that establish the great tribulation is closing in, and when is it time to flee. In chapter 4, we will go over the signs of the end of the Jewish age. In chapter 5, we will walk through the events leading up to the end of the Jewish age from 66 – 70 C.E., and how it applies to our Great Tribulation in these last days. In chapter 6, we will cover the second coming of Jesus where the reader will get the answers as to whether verses 3-28 of Matthew Chapter 24 apply to Christ's second coming. We will close out with chapter 7, and how we should understand the signs, and how we do not want to be led astray, just as Jesus warned even some of the chosen ones would be misled. We will also address what comes after the end.

The Rapture Part II Oct 20 2021 This second part of the book explains about the signs of heaven that are related to the second coming of the Lord Jesus. His first coming is marked by a sign in the sky in the form of a star in the east as explained in Matthew 2:2: Saying, Where is he that is born King of the Jews? for we have seen his star in the east, and are come to worship him. God also gave signs in the sky relating to His second coming: The sun shall be turned into darkness, and the moon into blood, before that great and notable day of the Lord come: (Acts 2:20) From 2014-2019 there were sixteen sky signs referred to the verse, in the form of nine solar eclipses and seven total lunar eclipses (moons like blood), thirteen of which occur right on the feast days of the people of Israel and three on the days that we interpret related to end-time events, that are on the day would be the beginning of great tribulation, on the day of the cessation of daily sacrifices, and the last day of great tribulation in Jerusalem. Furthermore, the eclipses of years 2018 have the same interval of days with the ones in 2015, especially when reckoned from the calendar year beginning on the 1st day of Nissan and the other calendar year beginning on the 15th day of Shevat. The Bible records that the end times will occur when conditions are safe and peaceful, but they will suddenly turn into chaos accompanied by severe persecution. "For when they shall say, Peace and safety; then sudden destruction cometh

upon them, as travail upon a woman with child; and they shall not escape." (1 Thessalonians 5:3) In medical science, the normal gestation period lasts 266 days, and the Lord gave a lot of signs similar to pregnancy (266). In addition, the book also explains the Israelite festivals and their meanings and prophecies. The Israelites have seven main feasts which are divided into two, namely the festivals of Rainy Season and the festival of Summer. The three festivals of the Rainy Season were fulfilled at the time of the first coming of the Lord Jesus. The four summer festivals in the form of the feast of the Trumpet, the day of Atonement, the feast of Tabernacles and the day of Hanukkah have not yet been fulfilled. Many theologians believe that the holidays will be fulfilled in connection with the second coming of the Lord Jesus. Surprisingly, when we interpreted end-time events based on data of solar eclipses and total lunar eclipses, Israel's feasts and Bible verses, it turns out that our interpretation of the end-time events occurred precisely in the days the Summer feast and in accordance with the prophecies of these feast days, so that if this really happens then the second coming of the Lord Jesus will be the fulfillment of the Israel's Summer festivals!

Blood Moon - Biblical Signs of the Coming Apocalypse Jul 05 2020 Woodward examines the Blood Moon Prophecy as articulated by Mark Biltz and John Hagee and evaluates the criticisms of Mark Hitchcock and Chris White. Woodward finds a middle ground, identifying why the Blood Moon Prophecy is likely to be authentic, but cautions against accepting its validity without the test of time. Woodward points out many reasons to find cause for belief and many reasons that it legitimately could be questioned. Woodward evaluates the nature of biblical signs by studying the phrase "signs and wonders". He also evaluates the issues of whether biblical signs of the apocalypse must all be supernatural - showing why many may be "natural" in terms of astronomical events that are unusual but not paranormal acts. The heart of the book is an apologetic for why the study and adherence to the Kingdom of God (and the apocalypse it implies) is mandated by the words of Christ. His followers MUST keep watch—always. It is a must read for all students of eschatology.

Signs and Symbols of the Second Coming Nov 20 2021 MILLIONS OF CHRISTIANS ALL OVER THE WORLD ARE AWAITING HIS ARRIVAL . . . WILL HE RETURN IN OUR LIFETIME? . There is a general consensus among a large group of UFO believers that we should await some form of open, mass landing seen by the entire world. What if this expectation is not fulfilled until the Battle of Armageddon? Perhaps we are mistaken in looking for a "morally indifferent" landing on the White House lawn and should instead anticipate a vengeful mass landing in which the often seen flying saucers return to destroy the armies gathered by the Antichrist and establish the millennial reign of Jesus. . Theories about the Second Coming and how it will manifest itself are varied and many-faceted. Sean Casteel's "Signs and Symbols of the Second Coming" makes the job of sorting between competing beliefs a little easier by providing answers from a range of theological and paranormal experts. For instance, what does the Second Coming mean to ordained minister Dr. Barry Downing? Downing's impressive academic background in both science and religion, combined with a longtime study of the UFO phenomenon, makes his opinion as "expert" as they come. . Biblical prophecy expert Gary Stearman discusses how the long awaited Rapture will be timed to events in Israel and explains how UFO waves in that embattled stretch of Earth have always been an expression of God's unfolding plan in the modern world. One must learn to live with the idea that the Day of the Lord will arrive as a "thief in the night," catching the entire world off-guard and entering our reality unannounced. . There are also chapters offering a less apocalyptic view of the Second Coming. In interviews with religious and UFO scholar Dr. Brenda Denzler and prophecy researcher G.C. Schellhorn, Christ's return is portrayed as a quieter transformation of humankind's collective consciousness, a kind of moral rebirth taking place on levels too subtle to be readily apparent to the unenlightened observer. What if Christ and the other prophets can achieve their merciful ends without a "blood and guts" confrontation with the wickedness of the world? . The legendary husband and wife team of Brad and Sherry Steiger are interviewed for separate chapters about their beliefs on the Second Coming. Brad recalls his youthful days in Bible class and explains how his views are now less extreme, less black and white regarding what we mean when we discuss things like the fearful aspects of the Book of Revelation. Meanwhile, Sherry also feels her childhood religious beliefs and even time spent in a Lutheran seminary as a young woman did not prepare her for the truths she would later discover. What should be emphasized, she believes, is the commonality between all world faiths and the peaceful, good intentions of the prophets who introduced them to us. Yet she concedes she is troubled by portions of Book of Revelation and believes the Mark of the Beast could easily become a reality. Read her chapter in "Signs and Symbols of the Second Coming" to find out why. . Did the late Dr. Frank Stranges correctly identify the Antichrist? He is among the many who have tried to "name names" in that regard, but in this exclusive interview he explains his reasoning for doing so in some detail, while at the same time decrying the "fear mongers" who use the Second Coming to terrify rather than to inspire. Will the UFOs eventually spread the wisdom and grace of Christianity to the entire universe after carrying out the Second Coming on Earth? . Finally, the author himself touches on the possible use of holograms to stage a false Second Coming and offers a checklist of signs to watch for in the countdown to the Day of the Lord. We stand on the threshold of Doom and Salvation, and the mysterious, ubiquitous UFOs are a crucial element of both.
